View Your Rosters

As a team captain, you have two rosters: donors and team members. If you registered with your login information from the previous year, you will have access to the previous year’s team members and donors as well. Your rosters provide you with a list of all team members, donors, their contact information, and additional information, like shirt size.

To view either your team or donor roster, click “Team Members” or “Donors” on the Roster drop-down menu. To download a report of the roster, click “Download Report.” This will download a spreadsheet that you can view in Excel or other spreadsheet applications.

Special Note:

If the image for your page does not load quickly, the file size of the photo may be too large. You can look at the file size by right-clicking on the image and selecting the last drop-down option called “Properties.” The size should be less than 6 MB or any number followed by KB.

There are many reasons why an image might not load. If your image is the proper size, please try again, allowing more time for your image to appear. If this does not work, send your image, your name, and your event name to support@ms-stride.org.
