If you're like most people, going to a movie, attending a sporting event or a community concert – or even cooking a meal – requires little planning or help. Sadly, such common pleasures rarely occur for adults with developmental disabilities because of the special assistance they require.

The Meyer Foundation for Disabilities (MFD) will hold its 20th annual **“Walk & Roll for Disabilities”** on Sunday, March 3, 2024. We are excited to be back at Oak View Mall to see all of the friends and families who have been great supporters of our event. This event raises funds to provide recreational programming at Munroe-Meyer Institute. These programs allow adults with disabilities in the Omaha area to enrich their quality of life by socializing with friends, participating in new experiences and developing important life skills, like cooking.

As a sponsor of the 20th Annual “Walk & Roll for Disabilities” you can help to raise funds necessary to continue providing these programs. Please review the enclosed sponsorship levels and consider contributing to this life-changing event. Your entire tax-deductible contribution will be used to provide safe and appropriate social and recreational activities for adults with developmental disabilities.

Everyday experiences aren't so readily available, but with your support – MFD can make them a reality. To become a “Walk & Roll for Disabilities” sponsor, please complete and return the enclosed form and return it by January 20, 2024 with your payment as indicated. You can even donate online- the link is below:

Thank you for your interest in enriching the lives of adults with developmental disabilities.

Sincerely,

Mary P. McHale, Board President
