

Walk & Roll for Disabilities Sunday March 3, 2024
Oak View Mall 9:00 a.m. in the Food Court Area

I am grateful for this program that has offered so much to Kate's life and given her opportunities that she would otherwise not have had. She is currently in the Bike Club, and also attends the Thursday Night Adult group for swimming, arts and crafts, and her favorite music and dancing. She has her own social life with her peers, and that is a gift. The staff is exceptional. We are blessed to have MMI in Kate's life.
